I General Provisions

1. General provision

- 1.1. The Fees Applicable to the Issuers on the Regulated Market (hereinafter – the Price list) determines the fees payable for the services provided by the Nasdaq Riga (hereinafter – the Exchange) and the procedure of payment thereof.
- 1.2. The terms and notions used and not explained herein shall have the meaning as provided in the rules of the Exchange.
- 1.3. The fees shall be payable upon receipt of relevant notice from the Exchange and to the account, in the amount and within the timeframe specified in the notice.
- 1.4. All fees are quoted VAT excluded.
- 1.5. The penalty for fees that are not paid by the due date shall be 0.1% per day from overdue payment amount.
- 1.6. The Exchange Management Board may, on individual occasions, reduce the fees quoted herein.

2. Admission fee

- 2.1. The Issuers which apply their financial instruments for listing on a market regulated by the Exchange shall pay the admission fee to the Exchange in accordance with the procedure and in the amount determined herein.
- 2.2. If financial instruments of an Issuer are applied for listing on a market regulated by the Exchange by another entity in accordance with the provisions of the Law on the Financial Instruments Market, the fees specified herein shall be applied to the entity.
- 2.3. The admission fee is a non-refundable payment to be made by an Issuer or according to the Clause 2.2 another entity for the listing of financial instruments on a market regulated by the Exchange.

3. Annual fee

- 3.1. The Issuers whose financial instruments are listed on a market (list) regulated by the Exchange shall pay to the Exchange an annual fee for the listing of financial instruments on a market (list) regulated by the Exchange in accordance with the procedure and in the amount specified herein.
- 3.2. The annual fee shall be normally collected in the first month of the calendar year, if not stated differently. If Issuer's financial instruments of same type and category are listed on a market (list) regulated by the Exchange for the first time, the annual fee for the first listing quarter (for shares and fund units) or for the first listing year (for other financial instruments) shall be calculated in proportion to the period from the start of listing to the end of the calendar quarter or year accordingly and collected together with the admission fee.
- 3.3. For listing of shares on the Main list or on the Secondary list, Issuers shall pay an annual fee consisting of a fixed part and a variable part. The fixed part of the annual fee shall be collected by the Exchange in four equal parts in the beginning of the first month of every

quarter. The fixed part of the annual fee shall be non-refundable. The variable part of the annual fee shall be calculated by the Exchange every quarter in accordance with the average market capitalization of Issuer's shares per quarter in accordance with the Clause 5.1., 5.2. and 8.1. The variable part of the annual fee shall be collected by the Exchange for every quarter in the beginning of the next month following the respective quarter.

- 3.4. The market value (hereinafter also - MCAP) of shares shall be determined by multiplying the number of all Issuer's shares by the average weighted market price of the shares. If the market value cannot be determined, the calculations are made on the basis of the Issuer's book value of equity as stated in the Issuer's latest audited financial report. If newly issued additional shares are listed, the market value shall be calculated by multiplying the number of shares issued by their price in the offer. If newly issued shares are given for free, the calculations are made on the basis of the Issuer's book value of equity as stated in the Issuer's latest audited financial report.
