ACCOUNTING POLICIES

This condensed interim financial information has been prepared under the same accounting policy as described in the annual financial statement for the year ended 31 December 2007.

Basis of preparation

The Bank and the Group condensed interim financial information was prepared in accordance with IAS 34, under the historical cost convention as modified by the revaluation of available-for-sale investment securities, financial assets and financial liabilities held for trading and all derivative financial instruments.

The preparation of financial information in conformity with International Financial Reporting Standards require the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of current event and actions, actual results ultimately may differ from those estimates.

This financial information combine the consolidated financial statements for the Group and stand-alone financial statements of the parent Bank. Such format of reporting was adopted to ensure consistency of presentation with the format prescribed by the Bank of Lithuania and applied for statutory reporting.

Amounts shown in this financial information are presented in the local currency, Litas (LTL). Since 2 February 2002 the exchange rate of the Litas was pegged to Euro at a rate of 3.4528 LTL = 1 EUR.

Revised and amended standards that have been published but as of 31 March 2008 are not yet effective and have not been early adopted by the Group:

- IFRS 2, Share – based Payment Vesting Conditions and Cancellations (effective for annual periods beginning on or after 1 January 2009);
- IAS 32, Financial Instruments: Presentation (effective for annual periods beginning on or after 1 January 2009);
- IAS 1, Presentation of Financial Statements (effective for annual periods beginning on or after 1 January 2009);
- IAS 27, Consolidated and Separate Financial Statements (effective for annual periods beginning on or after 1 July 2009); neaktuali
- IFRS 3, Business Combinations (effective for annual periods beginning on or after 1 July 2009);
