**Description of main risks**

The risk management policy of the Group is based on the requirements established by regulative bodies, generally accepted practices and internal regulations of the Group. The Group is guided by the principle to manage risks in a manner that ensures an optimal risk to income ratio. As part of the risk management of the Group, all potential risks, their measurement and control are defined, and an action plan is prepared to reduce risks, thereby ensuring the achievement of financial and other strategic objectives of the Group.

**Business risks**

The macro-economic development of operated markets and related changes in the consumption habits of clients are the factors that influence the Group the most. To manage risks, the Group monitors and analyses the general development of markets and the activities of competitors, as a result of which the Group will adjust operational activities, including marketing activities, if necessary.

The gaming sector as a whole is significantly influenced by regulative changes and supervisory activities at the state and local level. The Group estimates that the regulative risk is managed by presence in seven different jurisdictions.

**Currency risk**

The Group earns income in euros, thus changes in exchange rates of foreign currencies against the euro have no major effect on the Group's operating profit.

The functional currencies of subsidiaries within the Group and the US dollar (USD) can be used for managing the currency risk.

**Credit risk**

The Group's settlements with clients are to a great extent immediately carried out in cash or by payment cards. The Group accepts banks with the credit rating of A and B where the most of the Group's funds have been deposited. Credit risk of the Group is related to cash, its equivalents and other positions of financial assets.

## Notes to the consolidated interim financial statements

### Note 1 Summary of significant accounting policies

Olympic Entertainment Group AS (hereinafter the "Company") is a company registered in Estonia at 15 November 1999. The consolidated interim financial statements of the Company prepared for the reporting period ended 31 March 2017 comprise the Company and its subsidiaries (together referred to as the "Group").

This condensed consolidated interim financial information was approved by the management for issue on 27 April 2017.

The audited consolidated financial statements of the Group as of and for the year ended 31 December 2016 are available upon request from the Company's registered office at Pronksi 19, Tallinn and at the Company's website at [www.olympic-casino.com](http://www.olympic-casino.com).

#### Basis of preparation

These condensed consolidated interim financial statements have been prepared in accordance with International Financial Reporting Standard IAS 34 "Interim Financial Reporting" as adopted by the European Union. The condensed consolidated interim financial statements do not include all of the information required by complete set of financial statements and should be read in conjunction with annual consolidated financial statements of the Group as at and for the year ended 31 December 2016.

The accounting policies applied by the Group in these condensed consolidated interim financial statements are the same as those applied by the Group in its consolidated financial statements as at and for the year ended 31 December 2016.

### Note 2 Seasonality of operations

Due to the slight seasonal nature of the gaming market, higher revenues are generated in the second half of the year. In the financial year ended 31 December 2016, 48% of the income from gaming transactions accumulated in the first half of the year, with 52% accumulating in the second half.

### Note 3 Discontinued operations

On 23 September 2016 the Group announced that it is forced to freeze active operations in Poland from 24 September 2016 due to the lack of valid location specific activity license.

On 23 September 2016 the Group announced of its decision to exit Belarus gaming market due to the inefficient operations caused by the macroeconomic situation and poor prospects to increase profitability in Belarus.

Therefore, the Polish and Belarus segments have been classified as discontinued operations in these interim financial statements.

Weighted average number of shares outstanding (in thousands)	151,791	151,791
Basic earnings per share (euro cents)	4.0	3.4
Diluted earnings per share (euro cents)	4.0	3.4

Basic earnings per share are calculated by dividing profit attributable to equity holders of the company by the weighted average number of ordinary shares outstanding during the period. The calculation of diluted earnings per share also takes into consideration the share options granted to employees.

At 31 December 2014 share option agreements were concluded with Olympic Entertainment Group AS management board members and Group's key employees. According to concluded share option agreement management board member is eligible to subscribe to 100,000 Olympic Entertainment Group AS shares till the end of share option program; number of shares that can be subscribed by Group's key employees is individual. Exact number of shares that can be subscribed by each member of management board and key employee depends on fulfilment of Group's financial objectives and objectives connected with specific areas of responsibilities of each member of management board and key employee. The price for exercising the share option will be the nominal value of the share or the calculated value per one share. Options are conditional based on the 4-year employment relationship at the time of options realisation. Option holder has a right to subscribe for shares starting from 1 January 2019. Share option program ends 28 February 2019.

## Note 8 Segment reporting

The Group's segments have been determined on the basis of reports monitored and analysed by the parent company's Management Board. Financial results are monitored by geographical regions. The results of operating segments are evaluated on the basis on external sales revenue and operating profit. At 31 March 2017, the Group had operations in the Estonian, Latvian, Lithuanian, Slovak, Italian and Maltese markets. Polish and Belarus segments have been classified as discontinued operations with results presented in Note 3.

All segments generate majority of their income from gaming transactions. In addition, Estonian segment is engaged in hotel services from the 1st of June 2016. Management estimates that inter-segment transactions have been concluded at market prices and under market conditions.
