

Liene Dubava

Chairwoman of the Management Board, Nasdaq Riga

Head of Issuer Services, Nasdaq Baltic

Liene Dubava is the Chairwoman of the Management Board of Nasdaq Riga stock exchange and heads the Baltic Issuer Services Team, managing the provision of services to all listed companies in Latvia, Estonia and Lithuania.

Liene has more than 25 years of experience in the financial industry and has been with Nasdaq Riga since 2003. She deals on a daily basis with the regulatory framework for listing, new products and services, capital market development issues, and sales of listing and investor relations services. To contribute to improving financial literacy, she regularly speaks at universities and industry events on topics related to the capital markets, ESG, corporate governance, investments, and investor relations.

Liene is a member of Latvian Corporate Governance Advisory Board under the auspices of the Ministry of Justice and both in 2006 and 2020 was one of the developers of the country's Corporate Governance Code. She is also a member of European Corporate Governance Network, representing the Baltic countries. Since 2018, Liene has also served as a vice president of the American Chamber of Commerce in Latvia.

Liene Dubava holds a master's degree in economics from the University of Latvia (2001) and an MBA from Riga Business School (2013). She has completed a Strategic Management Program at Stockholm School of Economics in Riga, a Board Member Education Program at the Baltic Institute of Corporate Governance, and a Capital Markets Surveillance Program at the U.S. Securities and Exchange Commission's International Institute for Securities Market Development in Washington, DC.
