

Teuvo Rossi

President of Nasdaq Holding AB

Vice President, Nasdaq Nordic

Deputy Chairman of the Council, Nasdaq Riga

Deputy Chairman of the Council, Latvian Central Depository

At the present Teuvo Rossi holds the position of President of Nasdaq Holding AB, Finnish branch and Vice President, Nasdaq Nordic. He has board memberships in Nordic and Baltic exchanges and CSDs as well as in other Nasdaq Nordic companies.

Teuvo Rossi has over 25 years of experience of working in capital markets and strategic transformation processes. He has had senior position in finance of major Finnish based / global forest products, metal and consumer goods companies. In this capacity he has arranged several public and private equity and debt capital market transactions to finance investments and acquisitions in Europe and North America. Teuvo has also worked over 5 years as head of investment banking and for US based management consulting company. In this capacity he had a leading role in executing several capital market transactions such as IPOs, equity issues, private placements, public purchase offers and privatizations. He has also completed several M&A and structure change assignments.

In Nasdaq he had a key role in creating Nasdaq Nordic and Baltic exchange through acquisitions of Nordic and Baltic exchanges and CSDs.
