All stores with a separate entrance from outside had been open since 15 March 2021. All Group's stores have been reopened in Lithuania from 19 April 2021, however, stores operating in shopping malls were not allowed to work on weekends, unless they had separate entrance from outside. Eventually, all Group's stores have been open in Lithuania as of 29 May 2021. In Latvia, stores were temporarily closed from 19 December 2020. Stores with a separate entrance from outside and an area not exceeding 7,000 square meters have been open in Latvia from 7 April 2021. The operating expenses of the Group totaled EUR 68.4 million in 12 months 2021 and increased by 6.7%, comparing to the same period 2020. Operating expenses increased less than sales, which grew by 11.6%. This was mainly driven by government subsidies received to compensate for idle time of employees during the lock-down as well as working capital subsidies granted by government in Latvia for closed periods. The decision of the Group's shareholders not to pay dividends for 2019 and 2020 years had a positive impact on debt and liquidity ratios.
