#### **Future prospects**

In 2017, "Grindeks" continues focusing on the new markets by diversifying its operations and thereby reducing risks. As before in 2017, "Grindeks" continues to expand its product portfolio.

- Strategic markets of business development European Union and South East Asia countries. It is planned to increase sales by 30%
- Strengthening positions in Russia and the other CIS countries
- Business expansion of JSC "Kalceks"
- Expected increase in turnover of the Group by at least 10% in 2017
- Investments in 2017 4 million euro
- Optimization of current assets and cost reduction in positions which are not related to the company's strategic development projects, as well as product registration and their promotion.

Decrease in value or devaluation of national currencies in the CIS countries are still the most significant business risks that might negatively affect the company's performance indicators.
