AB KLAIPĖDOS NAFTA IN PUBLIC

KN expertise in LNG field **receives continuous attention** from Lithuanian and foreign media. **German TV 3sat program Makro discussed** main topics of the EU energy sector choosing LNG terminal in Klaipėda as a role model. In September **The Wall Street Journal interviewed** CEO of KN about Europe's opportunities in LNG sector.

KN representatives advance their competence, present the Company's activities at the world's largest energy conferences. In September 2018, Representatives of KN **participated in the Gastech Exhibition & Conference**, which took place in Barcelona and joined discussion panel about FSRUs.

KN prepared the **Plan of Environmental Measures** and **submitted it to environmental authorities**. KN investments into the environmental field are expected to reach EUR 8 million by the end of 2021 and greatly reduce impact on environment in surrounding areas.

AB KLAIPĖDOS NAFTA AND EMPLOYEES

KN promotes **professional development** of employees and executives. During the third quarter **16 internal trainings** took place. The company also launched **360 feedback surveys** on executives, which aims at helping them to develop their further leadership and management skills.

The Company promotes **employees to become ambassadors** of the company to **volunteer** during various events. 27 KN employees **volunteered at the Sea Festival** in Klaipėda, where they presented the company's activities.

KN invests in culture. The **company contributed to the revival of the dance and history performance "Neužšąlantys namai"** ("Non-freezing home"), which took place in Klaipėda. KN employees had the opportunity to see the performance premiere dedicated to them in open city areas.

KN promotes a **healthy lifestyle** amongst employees and **supports sport initiatives**. In September, the basketball and football teams of the KN have been formed. The basketball team have already showed exceptional achievements - in the middle of September, the **team won the second place** in the Energy Basketball Tournament.

FINANCIAL HIGHLIGHTS (UNAUDITED), MEUR

Negative impact on Q3 financial results was mainly influenced by the following reasons:

- Increase in depreciation expenses (In 2018 KN have finished couple investment projects);
- Decrease in oil transshipment volumes and transshipment revenues respectively made negative impact on oil terminal results;
- Increase in FSRU expenses (comparing to Q2).

KLAIPĖDA OIL TERMINAL RESULTS FOR 9 MONTHS OF 2018

Transshipment, thousand tons

MEUR	9 months of 2017	9 months of 2018
Revenue	26.0	25.0
Net profit	7.8	8.4
EBITDA	13.9	13.9

BUSINESS FACTORS:

During 9 months of 2018 Oil terminal reloaded 4.1 per cent less oil products compared to same period in 2017 due to following reasons:

- Belarusian companies have already reloaded planned yearly quantities in Klaipėda oil terminal and have not signed long-term service agreements (KN activities are based on such kind of agreements) for future quantities yet;
- Export of oil product quantities of the main Company's client (AB Orlen Lietuva) have decreased;
- Russia and Belarussia still continue negotiations which include agreements related to gas, oil and oil products and make an impact on oil transit quantities.
