SHAREHOLDERS' MEETING

Shareholders exercise their right to participate in the management of the Issuer at shareholders' meetings. In compliance with legal acts the Issuers shall call the annual shareholders' meeting – to minimum once a year. Extraordinary shareholders' meetings shall be called as required.

1. Ensuring shareholders' rights and participation at shareholders' meetings

The Issuers shall ensure equal attitude towards all the shareholders – holders of one category of shares. All shareholders shall have equal rights to participate in the management of the Issuer – to participate at shareholders' meetings and receive information that shareholders need in order to make decisions.

- 1.1. It shall be important to ensure that all the holders of shares of one category have also equal rights, including the right to receive a share of the Issuer's profit as dividends or in another way in proportion to the number of the shares owned by them if such right is stipulated for the shares owned by them.

JSC “Latvijas tilti” ensures the observation of this principle. In accordance with the Articles of Incorporation of JSC “Latvijas tilti”, JSC “Latvijas tilti” has been issued two kinds of shares - nominal and personal ones; shares of all kinds grant the rights to receive dividends and to receive winding-up quotas. Personal shares do not grant voting rights in shareholders' meetings.

- 1.2. The Issuer shall prepare a policy for the profit distribution. In the preparation of the policy, it is recommended to take into account not only the provision of immediate benefit for the Issuer's shareholders by paying dividends to them but also the expediency of profit reinvesting, which would increase the value of the Issuer in future. It is recommended to discuss the policy of profit distribution at a shareholders' meeting thus ensuring that as possibly larger a number of shareholders have the possibility to acquaint themselves with it and to express their opinion on it. The Report shall specify where the Issuer's profit distribution policy is made available.

JSC “Latvijas tilti” has been introduced this principle in part. Taking into account that the Board and the Council of JSC “Latvijas tilti” had not received any proposals concerning income distribution policy from the Company's shareholders, JSC “Latvijas tilti” did not take a resolution concerning its processing. The obligation of the Board of JSC “Latvijas tilti” is to process and to submit for coordination the project for income distribution to the Company's Council before its approval at shareholders' meeting what can be viewed by all shareholders in issued draft resolutions before a meeting. Shareholders may use the opportunity to express their opinion on that matter. The Board JSC “Latvijas tilti” considers that the part of the profit for previous year should be distributed.

- 1.3. In order to protect the Issuer's shareholders' interest to a sufficient extent, not only the Issuers but also any other persons who in compliance with the procedure stipulated in legislative acts call, announce and organise a shareholders' meeting are asked to comply with all the issues referred to in these Recommendations in relation to calling shareholders' meetings and provision of shareholders with the required information.

JSC “Latvijas tilti” ensures the observation of this principle.

- 1.4. Shareholders of the Issuers shall be provided with the possibility to receive in due time and regularly all the required information on the relevant Issuer, participate at meetings and vote on agenda issues. The Issuers shall carry out all the possible activities to achieve that

**JSC „LATVIJAS TILTI”

as many as possible shareholders participate at meetings; therefore, the time and place of a meeting should not restrict the attendance of a meeting by shareholders. Therefore, it should not be admissible to change the time and place of an announced shareholders' meeting shortly before the meeting, which thus would hinder or even make it impossible for shareholders to attend the meeting.

JSC “Latvijas tilti” ensures the observation of this principle.

- 1.5. The Issuers shall inform their shareholders on calling a shareholders' meeting by publishing a notice in compliance with the procedure and the time limits set forth in legislative acts. The Issuers are asked to announce the shareholders' meeting as soon as the decision on calling the shareholders' meeting has been taken; in particular, this condition applies to extraordinary shareholders' meetings. The information on calling a shareholders' meeting shall be published also on the Issuer's website on the Internet, where it should be published also at least in one foreign language. It is recommended to use the English language as the said other language so that the website could be used also by foreign investors. When publishing information on calling a shareholders' meeting, also the initiator of calling the meeting shall be specified.

JSC “Latvijas tilti” ensures the observation of this principle.

- 1.6. The Issuer shall ensure that comprehensive information on the course and time of the meeting, the voting on decisions to be adopted, as well as the agenda and draft decisions on which it is planned to vote at the meeting is available in due time to the shareholders. The Issuers shall also inform the shareholders whom they can address to receive answers to any questions on the shareholders' meeting and the agenda issues and ensure that the required additional information is provided to the shareholders.

JSC “Latvijas tilti” ensures the observation of this principle.

- 1.7. The Issuer shall ensure that at least 14 (fourteen) days prior to the meeting the shareholders have the possibility to acquaint themselves with the draft decisions on the issues to be dealt with at the meeting, including those that have been submitted additionally already after the announcement on calling the meeting. The Issuer shall ensure the possibility to read a complete text of draft decisions, especially if they apply to voting on amendments to the Issuer's statutes, election of the Issuer's officials, determination of their remuneration, division of the Issuer's profit and other important issues.

JSC “Latvijas tilti” ensures the observation of this principle.

- 1.8. In no way may the Issuers restrict the right of shareholders to nominate representatives of the shareholders for Supervisory Board elections. The candidates to the Supervisory Board and candidates to other offices shall be nominated in due time so that the information on the said persons would be available to the shareholders to the extent as stipulated in Clause 1.9 of this Section as minimum 14 (fourteen) days prior to the shareholders' meeting.

JSC “Latvijas tilti” ensures the observation of this principle.

- 1.9. Especially, attention should be paid that the shareholders at least 14 (fourteen) days prior to the shareholders' meeting have the possibility to acquaint themselves with information on council member candidates and audit committee member candidates whose approval is planned at the meeting.
