Management report

Mapon is one of the leading fleet management and asset-tracking solution providers in Northern Europe and one of the largest SaaS (Software as a Service) companies in Latvia. The Company offers a comprehensive end-to-end telemetry solution, from widely compatible tracking devices to multiple state-of-the-art management platforms that provide actionable outputs and tools for business optimisation.

Mapon continuously invests in new and existing product development to improve customer value propositions and stay ahead of the competition.

Overview of the Group's status and results of operation

During the first half of 2025, the Group generated net turnover of EUR 11.3 million, up 19% from the corresponding period in the prior year, underscoring robust financial performance. Recurring revenue delivered stronger year-over-year growth.

In the first half of 2025, the Group recorded a gross profit margin of 62%, reflecting strong operating efficiency.

On 10 February 2025, the Parent Company completed the acquisition of Interkom AB, a Swedish fleet management services provider, which was renamed to Mapon Sweden AB in June 2025.

The consolidated financial statements for the year ended 31 December 2024 have been prepared in accordance with International Financial Reporting Standards (IFRS), following the Group's transition from Latvian Generally Accepted Accounting Principles (Latvian GAAP), which were applied through to the financial year ended 31 December 2023. This transition marks a significant step in aligning the Group's financial reporting with internationally recognized standards, enhancing transparency and comparability for stakeholders.

In line with this transition, the interim financial statements for the first half of 2025 have been prepared in accordance with IFRS, and the comparative figures for the prior period have been restated to ensure consistency.
