## 2. Form and contents of the financial statements

These financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the EU.

## 3. Change in the accounting method of the Companies' and the Group's Non-current assets Buildings group

In order to achieve a more accurate accounting of the financial results in March 31, 2013 the Non-current assets Buildings group accounting method was changed to the fair value method, as the book value of the Companies' and the Group's Non-current assets Buildings group, which was carried at historical cost, less subsequent accumulated depreciation, had not corresponded with the buildings market value.

## 4. Consolidation

The consolidated financial statements of the Group include Utenos trikotažas AB and its subsidiaries as well as associated companies. The financial statements of the subsidiaries are prepared for the same reporting year, using consistent accounting policies.

Subsidiaries are consolidated from the date from which effective control is transferred to the Company and cease to be consolidated from the date on which control is transferred out of the Group. All intercompany transactions, balances and unrealised gains and losses on transactions among the Group companies have been eliminated. The equity and net income attributable to non-controlling interests are shown separately in the statement of financial position and the statement of comprehensive income.

## 5. Financial risk factors

Due to the geo-political situation in Ukraine and significant drop in the value of UAH against EUR, the Management of the Group and the Company re-designated loan granted, related interests and other long term receivables as a part of net investment in Mrija PAT MTF. Accordingly gains (losses) arising from foreign exchange related to the monetary items considered to be part of net investment into foreign operation is accounted in Group's consolidated financial statements through other comprehensive income (loss).

The assigned net investment value is LTL 1.385 million. EUR and from this amount during 2021. The 9-month negative currency exchange difference of EUR 202 thousand is accounted for in the Group's financial statements as other comprehensive income.

**Other comprehensive income (loss) from foreign currency translation included in the consolidated statements of changes in equity in other comprehensive income attributable to the equity holders of the Company:**

Foreign currency exchange difference on monetary items attributed to net investments, EUR	(202 169)
Foreign currency translation reserve on other items, EUR	364 203
<b>Other comprehensive income EUR, net</b>	<b>162 034</b>

## 6. Segment information

The Group has two main business segments: production of knitted articles and production of functional-technical garments

In assessing operational performance of segments the Group's Board takes into account the sales revenue, gross profit, EBITDA (earnings before financial activity result, taxes, depreciation and amortization), profit (loss) ratios, therefore the report on the Group's segments discloses these items in respect of each segment. As the Board also assesses other items of the statement of comprehensive income by each segment, these items are presented in the report on the Group's segments. Inter-segment transactions are eliminated on consolidation.
