REVIEW OF ACTIVITY OF THE GROUP COMPANIES

In the 3 months of 2022, Utenos trikotažas AB group of companies (hereinafter „the Group“) sold products and provided services for EUR 8.6 million, which is by 33,8 per-cent more than in the previous year when the Group’s sales accounted for EUR 6,4 million. The Group exported 84.0 per-cent of products.

During the 3 months of 2022, the company Utenos trikotažas sold products and provided services for EUR 7.9 million. The sales volume, compared with the 3 months of 2021, increased by EUR 2.1 million, or 35.9 per-cent. The company’s export sales reached 84.1 per-cent.

The sales of the largest segment – on-demand knitwear – increased by 39.3 per-cent and reached EUR 6.9 million, private brands dropped by 29.0 per-cent and reached EUR 1.1 million, whereas the sales of functional-technical garments produced by its subsidiary Šatrija dropped by 3.5 per-cent.

During the 3 months of 2022, the Group incurred EUR 1,246 thousand loss before tax, when during 3 months of 2021 there was 640 thousand Eur loss before tax. During the same period, the company Utenos trikotažas suffered 942 thousand EUR loss before tax, while loss before tax amounted to EUR 688 thousand a year ago.

The Group’s EBITDA is negative at 841 thousand EUR, which is 385 thousand EUR less than in the same period in 2021. The Company’s EBITDA is negative at 700 thousand EUR, that is 193 thousand EUR less than the same period in 2021, when the company’s EBITDA accounted for EUR 507 thousand.

February 2022 the Russian Federation recognized the self-proclaimed republics of Donetsk and Lugansk and later invaded Ukraine, and the military conflict escalated and spread to other regions of the country. The current escalation of the military conflict is likely to have a negative impact on the political and business environment in Ukraine, including the ability of many actors to continue their normal activities. The Group operates in the Ukrainian market through its subsidiary Mrija PAT MTF, whose main activity is the provision of services to AB Utenos Trikotažas and whose external sales are insignificant. At the time of publication of these reports, Mrija PAT MTF was operating normally.

2. Form and contents of the financial statements

These financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the EU.

3. Change in the accounting method of the Companies' and the Group's Non-current assets Buildings group

In order to achieve a more accurate accounting of the financial results in March 31, 2013 the Non-current assets Buildings group accounting method was changed to the fair value method, as the book value of the Companies' and the Group's Non-current assets Buildings group, which was carried at historical cost, less subsequent accumulated depreciation, had not corresponded with the buildings market value.

4. Consolidation

The consolidated financial statements of the Group include Utenos trikotažas AB and its subsidiaries as well as associated companies. The financial statements of the subsidiaries are prepared for the same reporting year, using consistent accounting policies.

Subsidiaries are consolidated from the date from which effective control is transferred to the Company and cease to be consolidated from the date on which control is transferred out of the Group. All intercompany transactions, balances and unrealised gains and losses on transactions among the Group companies have been eliminated. The equity and net income attributable to non-controlling interests are shown separately in the statement of financial position and the statement of comprehensive income.

5. Financial risk factors

Due to the geo-political situation in Ukraine and significant drop in the value of UAH against EUR, the Management of the Group and the Company re-designated loan granted, related interests and other long term receivables as a part of net investment in Mrija PAT MTF. Accordingly gains (losses) arising from foreign exchange related to the monetary items considered to be part of net investment into foreign operation is accounted in Group's consolidated financial statements through other comprehensive income (loss).

Amount of monetary items attributed to net investment amounts to EUR 1.385 million and foreign currency exchange difference related to this amount for the 3 months of 2022 comprises EUR 75 thousand, which is accounted in the Group's consolidated financial statements through other comprehensive income.

Other comprehensive income (loss) from foreign currency translation included in the consolidated statements of changes in equity in other comprehensive income attributable to the equity holders of the Company:

Foreign currency exchange difference on monetary items attributed to net investments, EUR	74,530
Foreign currency translation reserve on other items, EUR	(91,452)
Other comprehensive income EUR, net	(16,922)

6. Segment information

The Group has two main business segments: production of knitted articles and production of functional-technical garments.

In assessing operational performance of segments the Group's Board takes into account the sales revenue, gross profit, EBITDA (earnings before financial activity result, taxes, depreciation and amortization), profit (loss) ratios, therefore the report on the Group's segments discloses these items in respect of each segment. As the Board also assesses other items of the statement of comprehensive income by each segment, these items are presented in the report on the Group's segments. Inter-segment transactions are eliminated on consolidation.

Below, there is a summary of major indicators for the main business segments of the Group included in the statement of comprehensive income for the 3 months of 2022 and for the 3 months of 2021:
