## 2. Form and contents of the financial statements

These financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the EU.

## 3. Change in the accounting method of the Companies' and the Group's Non-current assets Buildings group

In order to achieve a more accurate accounting of the financial results in March 31, 2013 the Non-current assets Buildings group accounting method was changed to the fair value method, as the book value of the Companies' and the Group's Non-current assets Buildings group, which was carried at historical cost, less subsequent accumulated depreciation, had not corresponded with the buildings market value.

## 4. Consolidation

The consolidated financial statements of the Group include Utenos trikotažas AB and its subsidiaries as well as associated companies. The financial statements of the subsidiaries are prepared for the same reporting year, using consistent accounting policies.

Subsidiaries are consolidated from the date from which effective control is transferred to the Company and cease to be consolidated from the date on which control is transferred out of the Group. All intercompany transactions, balances and unrealized gains and losses on transactions among the Group companies have been eliminated. The equity and net income attributable to non-controlling interests are shown separately in the statement of financial position and the statement of comprehensive income.

## 5. Financial risk factors
